Name	Shi Young Chang	
Position	Deputy General Researcher	
Organization	KISA(Korea Internet & Security Agency)	

Biography

Mr. Shi Young Chang is Deputy General Researcher of KRNIC Policy Team at the Korea Internet & Security Agency(KISA). He acts as the Republic of Korea(RoK)'s official representative of the Governmental Advisory Committee(GAC) to the Internet Corporation for Assigned Names and Numbers(ICANN) since 2020. He has also served as a GAC Liaison to the At-Large Advisory Committee(ALAC) since 2021, contributing deeper collaboration between GAC and ALAC on developing cooperation agendas, publishing a Joint Statement of GAC-ALAC, and moderating a Joint GAC-ALAC Public Policy Meeting at ICANN71 Virtual Policy Forum.

Mr. Chang has led the Working Group on DNS Server Sharing(WGDSS) in Asia Pacific Top Level Domain Association(APTLD), which is a collaborative project to bolstering efficiency, stability, and robustness of the Internet infrastructure across Asia Pacific region by serving as Chair of the WG. He is an active member of the global Internet communities. He participates to national and regional Internet Governance Forum(KrIGF and APrIGF), UN IGF, the Regional Internet Registry of Asia Pacific(APNIC), and APTLD meetings.

Mr. Chang holds Master of Arts degree in Political Science from Yonsei University, Seoul, Korea, and Bachelor of Arts degree in Political Science from The Ohio State University, Columbus, Ohio, USA.
